CCIB Research Fellowship application:

To promote research and collaboration of CCIB members.
CCIB Members can host scientists or visit another institution for scientific collaboration. A budget of $1,500 per week for a maximum of four weeks will be given to the selected projects. Interdisciplinary collaboration and junior faculty will be given priority.

To apply please submit: a letter with a detailed description of the research activities, an itemized budget justification, a letter of interest of the guest or an invitation letter from the host.

Research Fellowship Application must be approved prior to traveling. A summary report of 1-2 pages of activities is required prior to reimbursement approval.

Name/Title:
